

## SOUTH HAMS DISTRICT COUNCIL

### Notes to accompany Decision Notices

**Building Regulations** - This decision is not a decision under the Building Regulations and the applicant should ensure that all necessary approvals for the same proposal and same plans are obtained before commencing any work on the site. See [www.devonbuildingcontrol.gov.uk](http://www.devonbuildingcontrol.gov.uk) for further information.

**Discharge of Conditions** – If your application has been approved with conditions then any pre-commencement conditions must be discharged before work starts. The fee to discharge conditions is per request, not per condition, and it is therefore more cost effective to discharge all conditions at once. Listed Building Consents and Conservation Area Consents are exempt from fees.

**Amending your permission (only applies to planning permissions)** – If you want to change some details of your planning permission and it is a very small change you can apply for a Non Material Amendment. Larger changes may need a Variation of Condition application to amend the plans condition or a new Planning Application.

**Adherence to approved plans/conditions** - Failure to adhere to the details of the approved plans or to comply with the conditions contravenes the Town and Country Planning Act 1990 and enforcement action may be taken.

**Right of Appeal** - further *information about appealing can be found at*

[http://www.planningportal.gov.uk/uploads/pins/procedural\\_guide\\_planning\\_appeals.pdf](http://www.planningportal.gov.uk/uploads/pins/procedural_guide_planning_appeals.pdf)

#### **High Court Challenge/Judicial Review**

As there is no third party right of appeal the only route available for an objector to challenge a decision is through the courts. Legal advice should be sought before considering this option.

#### **Purchase Notices**

If the Local Planning Authority or the Planning Inspectorate refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council requiring them to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

#### **Disabled Persons**

Where any planning permission granted relates to buildings or premises to which the public are to be admitted (whether on payment or otherwise) or to premises in which persons are employed to work, your attention is drawn to Sections 4, 7 and 8a of the Chronically Sick and Disabled Persons Act, 1970 and to the British Standards Institutions Code of Practice for Access for the Disabled to Buildings.

## **HOUSEHOLDER REFUSED**

Town and Country Planning Act, 1990  
Town and Country Planning (Development Management Procedure)  
(England) Order, 2015

---

**Application No:** 0467/23/HHO

**Date Received:** 8 February 2023

**Proposal:** Householder application for erection of first floor extension over existing sun room & garage

**Location:** Wesley House, Harberton, TQ9 7SW

**Applicant:**

Mr William Mattocks  
Wesley House  
Harberton  
TQ9 7SW

---

The South Hams District Council hereby **REFUSE** permission to carry out the development described above **for the following reason(s)**:

1. The proposed extension would be an incongruous and overbearing addition to the existing dwelling, by virtue of its massing, scale and relationship with the main dwelling. The development therefore conflicts with policies DEV20.2 and DEV20.4 of the Plymouth & South West Devon Joint Local Plan (2014- 2034), and paragraphs 13.35-13.36 of the Joint Local Plan Supplementary Planning Document (adopted 2020).
2. The development fails to conserve and enhance the character and historic fabric of the host dwelling and the Harberton Conservation Area, leading to an unacceptable impact on the Conservation Area, the significance of the building and its contribution to the character of the locale and therefore does not comply with DEV21.3 of the Plymouth & South West Devon Joint Local Plan (2014- 2034).
