

SOUTH HAMS SOCIETY

Beach Cleans 2019

Saturday, January 19th - Soar Mill Cove

Meet at 10.30 hrs. in car park behind the hotel. Bags and "pickers" are provided and we shall endeavour to leave this pretty little beach in the state it deserves. It is approximately a quarter of a mile down to the beach and in winter the ground is often muddy - so care should be taken. Low-water 10.24.

Saturday, February 23rd - Yarmer and Leas Foot

Meet up in the car park of the Thurlestone Golf Club at 14.30 hrs. These two lovely beaches are popular all the year round and need to be kept clean and tidy. Hot drinks can be provided by the Club provided they are not too busy.

Saturday, 23rd March - Soar Mill Cove

Meet in the car park behind the hotel at 14.30 hrs. No doubt because of the tides this dear little beach seems to attract a lot of sea-borne debris, so more regular cleans are taking place here. The National Trust will collect the bags shortly after.

Saturday, 6th April - South Milton (Thurlestone Sands)

Please meet up outside the Beach Hut at 14.00 hrs. to give this long beach a thorough clean. This is another very busy beach that needs to be kept in good order. Staff at the Beach Hut are sometimes happy to give us hot drinks following our work, providing there are not too many customers.

Saturday, 18th May - Soar Mill Cove

Please be in the car park behind the hotel at 12 noon. Equipment is provided and weather permitting, volunteers often bring a picnic lunch to enjoy on the beach afterwards.

Saturday, 15th June - Yarmer and Leas Foot

Meet up in the Thurlestone Golf Club car park at 11.00 hrs.

Saturday, 13th July - Soar Mill Cove

Meet in the car park behind the hotel at 10.00 hrs. This time coincides with low-water which will allow us to make a "clean sweep".

Saturday, 17th August - Gara Beach

Please meet outside the café at 14.00 hrs. before going down to the beach, which can be rather difficult for those less agile. It is well worth the effort and is a beach especially enjoyed by children and dogs.

Saturday, 14th September - Soar Mill Cove

Volunteers should meet in the car park behind the hotel at 14.00 hrs. It is nearly a quarter of a mile walk down to the beach but is well worth it.

Saturday, 12th October - Great Mattiscombe Sands

Meet up in the Start Point car park at 12 noon before going down to this exceptionally pretty beach which is privately owned. Any volunteer should be allowed to park free of charge once they have made themselves known to the parking attendant.

Saturday, 9th November - Soar Mill Cove

Please meet in the car park behind the hotel at 10.00 hrs.

Saturday, 14th December - South Milton Beach (Thurlestone Sands)

Meet up outside the Beach Hut at 14.00 hrs. When the Hut is not too busy they are happy to give us a hot drink free of charge.

Happy Christmas - again !
